Complete this table with ideas that would help you best prepare for this assessment.

Study activity	For how long?

Post-assessment: Reflection

1. Overall, how did you perform on this assessment? Was your performance what you expected/hoped for? Why or why not?

2. How did you prepare for it? Were you able to follow your time budget? Why or why not? Based on your test performance, what would you change about your time budget for next time?

3. What went well for you during this assessment? List three strengths.

4. Were there any areas/tasks/questions that caused you to struggle? What were they, and why do you think that you struggled with them?

5. What did you learn from this assessment that will help you prepare better for next time? Are there any changes that you need to make *during* class to help you reach your goals prior to our next assessment? (For example, write neater, ask more questions, make more corrections to HW, etc.)
