SAVVAS realize®

The solution that reimagines teaching and learning

As a teacher, you have a lot on your plate. You don't need a cumbersome LMS tying up your time and frustrating your students. Enter Savvas Realize: the most versatile LMS on the market, designed with you in mind, and now made even easier to use. With **one login**, you can access everything you need — from standards-aligned content and customizable assignments to **rich student data** and powerful **class planning** tools. Shared learning playlists make collaborating with other educators a breeze. And a new streamlined dashboard — with quick links and visual displays inspired by our teacher users — provides students, teachers, and district administrators alike, an **easy-to-navigate**, game-changing platform so that learning can happen anytime, anywhere.

TABLE OF CONTENTS

Realize Key Features:

- Scores travel with students if they transfer to a new class within the school or district, making it easier to pick up where they left off.

- Interactive digital content, videos, animations, games, and adaptive resources make learning experiences engaging and personalized.

- Seamless integrations with more than two dozen major edtech applications offer plug-and-play interoperability with top classroom tools.

myView® LITERACY

24/7 Access to Your Digital Resources
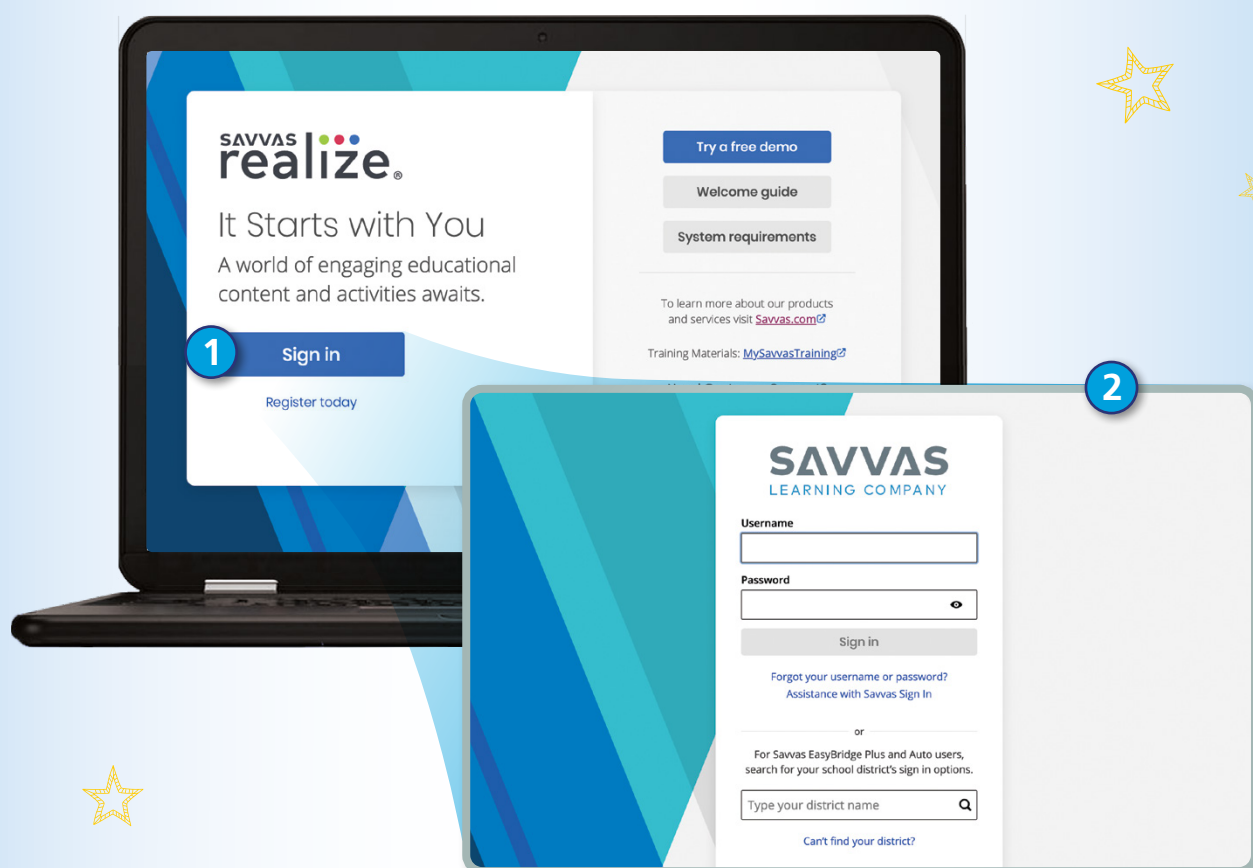

STEP **1** Go to SavvasRealize.com, click **Sign In**.

STEP **2** Enter your credentials. You will be directed to your Savvas Realize Teacher Homepage.

Teacher Homepage

Welcome to your Teacher Homepage. Your homepage functions like a dashboard, providing quick access to assignments, assessments, and interactive Student and Teacher Editions.

Under **My Programs**, click on your available grades to see the Table of Contents and access resources for that program.

Teaching *myView Literacy* with Savvas Realize

Savvas Realize allows you to deliver all the amazing instruction within *myView Literacy®*, digitally. The program is organized through a series of levels that represent the entire school year, a unit, a week and a day of learning with *myView Literacy*.

The **TABLE OF CONTENTS** level provides ALL resources for the entire school year.

The **UNIT** level includes the resources covered throughout the six weeks of each of the five units.

The **WEEK** level gives you a breakdown of five days worth of explicit instruction.

The **LESSON** level shows you a full day's individual lessons. Instruction for each specific area of the literacy block can be found here.

Savvas Realize is organized through a series of levels.

Program Dashboard

When your select your program, you will notice that the **Table of Contents** provides folders for the entire *myView Literacy* or *miVisión Lectura*® curriculum. You can also view helpful "Getting Started" documents and videos.

Teacher Resources

3 Steps to Get to Your Daily Lessons

STEP ① Click on your **UNIT**.

STEP ② Click on your selected **WEEK**.

STEP ③ Click on the daily **LESSON**.

Each lesson provides the step-by-step resources for the entire literacy block.

Assigning Content

Assigning practice, homework, and activities to your students is an easy, three-step process.

STEP 1 Choose your activity and click on **Assign**.

STEP 2 Enter the start and due dates. Search by class, group or student name.

STEP 3 Click on **Assign**.

UNIT 2 Week 2: Lesson 2   **Assign All**

Objective
Demonstrate and apply phonetic knowledge.
Decode words in isolation and in context by applying common letter sound correspondences.
Establish purpose for reading assigned and self-selected texts with adult assistance.
Respond using newly acquired vocabulary as appropriate.

Standards

Customize *myView* with My Library

My Library provides customization by allowing you to upload a file, add a link, build a test, and create a playlist. Unique to Savvas Realize®, playlists help you group and organize your favorite resources so you can save, share, and collaborate.

**Organize your small group resources or create individualized lists for students.**
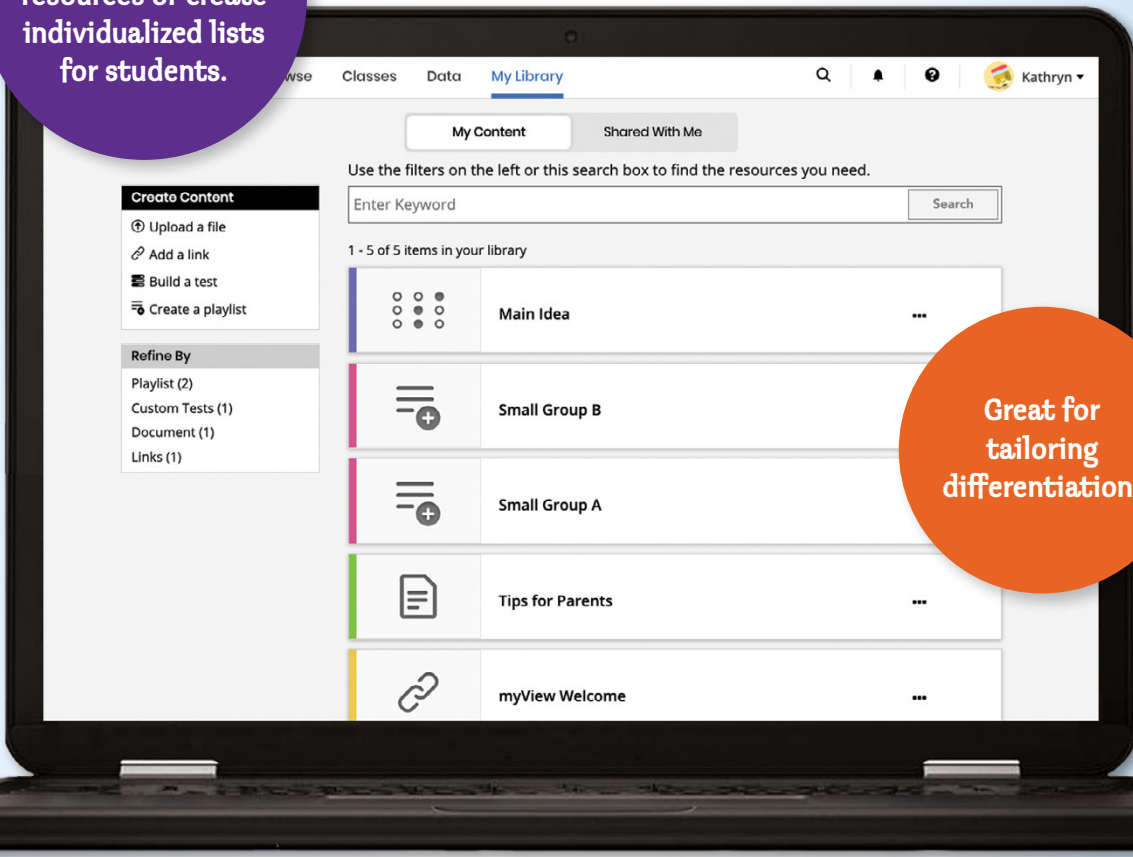

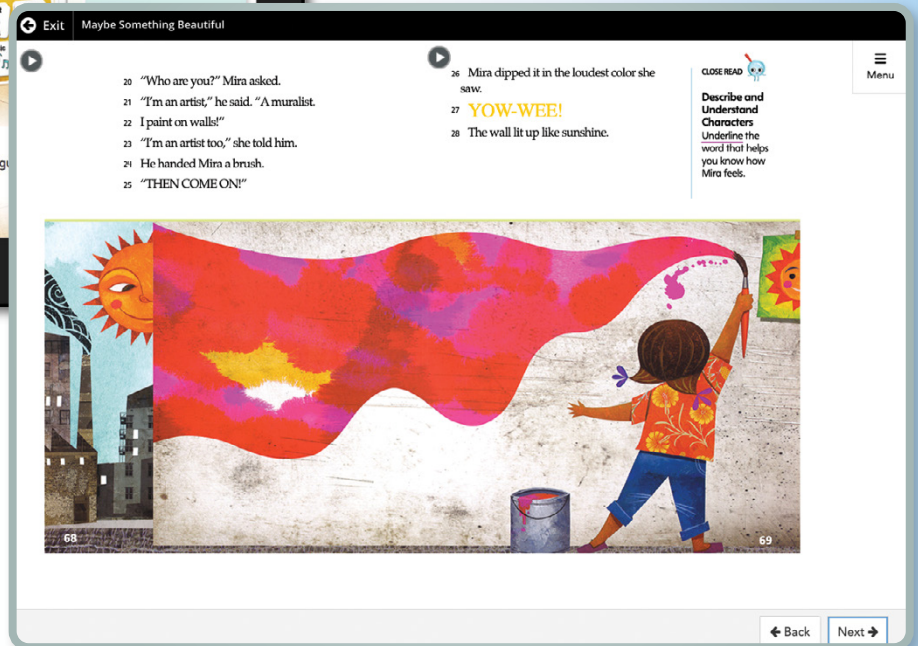

Great for tailoring differentiation!

Student Engagement

Student Interactive

Assign students pages in their digital portfolio.

Digital Games

Digital games help students learn phonemic awareness, spelling, and vocabulary.
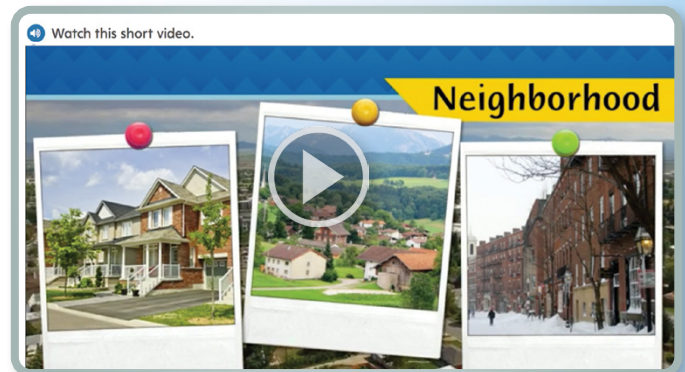

Interactive Activities
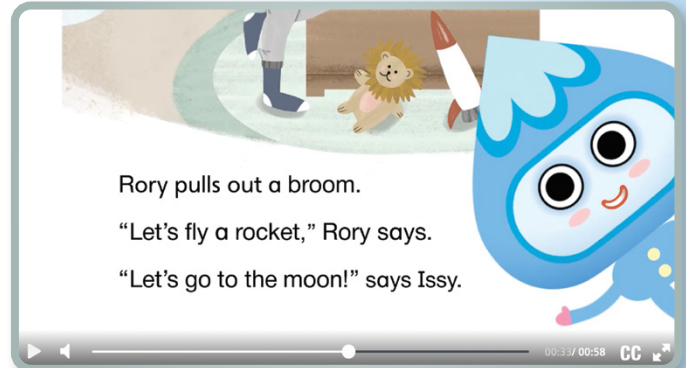

Interactive graphic organizers make reading and thinking fun (3-5).
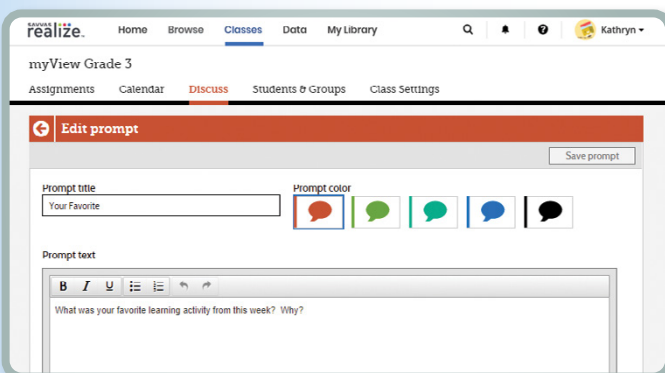

Building Background Videos
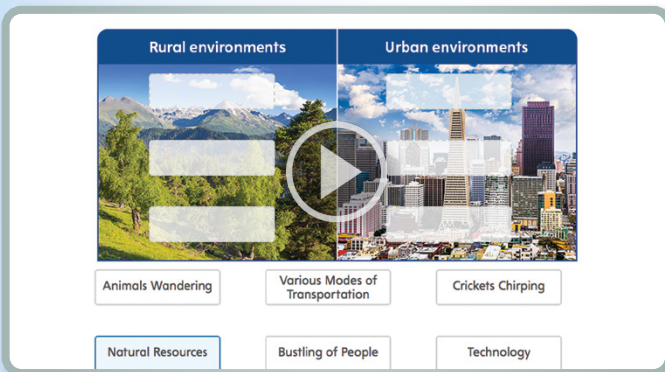

Engaging videos help build background knowledge on topics and skills before reading.

Unit Launch Videos

Build background knowledge and get students talking with unit launch videos.

Discussion Boards

Discussion boards allow students to respond to prompts and share their comments.

Purposeful Assessments

myView Literacy provides a comprehensive suite of assessment resources to maximize instructional time:

- Benchmark Assessments three times per year: Baseline, Midyear, and End-of-Year

- Summative Assessments which cover the skills and standards taught in each unit

- A variety of formative assessments that monitor student progress

- Projectable standards-based Exit Tickets

- Test banks for additional reading comprehension, writing, and conventions

- Customizable assessments through Savvas Realize and ExamView®

Exit | U1 Unit Test (Online)

First Selection

Directions: Read the selection. Then answer the question.
Where Did My Baseball Go?

1. Tomas and I like to play catch with a baseball. Most days we play in my yard after school. One day, Tomas threw the baseball too high, and it went over my head. It flew right over the fence and into Mr. Han's yard. Mr. Han is my neighbor.

2. "My ball!" I yelled.

3. I had to get my baseball back. It wasn't just any baseball—it was my lucky baseball! This wasn't the first time I had lost my ball in Mr. Han's yard. The last time my ball went into his yard, Mr. Han had told me I could let myself in through the gate if it happened again. Tomas felt bad for

Comprehension

Directions: Read and answer the following question.

Read the paragraph. Then drag the two phrases that include descriptive language into the box below.

Mr. Han's yard is a jungle of tall grass and plants. It looks wild and beautiful. There is even a small rose garden with a fountain in the middle. Tomas and I started looking for my ball...

| a jungle of tall grass and plants | wild and beautiful | There is even a small | Tomas and I started looking |

Phrases Containing Descriptive Language

SAVVAS literacy Screener & Diagnostic Assessments

The Literacy Screener & Diagnostic Assessments, available on the Savvas Realize® platform, are designed to maximize the power of instruction by targeting each student's greatest opportunities for growth, and pairing that data with instructional resources.
For more information visit savvas.com/LSDA

Universal Screener → **Multistage Adaptive Diagnostic** → **Scoring & Flexible Instructional Recommendations**

# Powerful Results

Easily view standards mastery and student progress with intuitive data reports.

- View mastery of standards.
- View results by assignment.
- Check class and student progress.
- See usage data for all assignments.
- View item analysis.

Increase student ownership with student friendly data reports.

Savvas Realize Scout Observational Assessment Tool

With Realize Scout, you can:

- Record anecdotal/observational data.
- Track progress of student fluency.
- Capture student audio, photos, and videos.
- Upload student artifacts.

Connect to What Matters

No matter what technologies you use, we have an integration for you. Realize is designed around how you, the teacher, work and manage class on a daily basis. To support teacher-centered design, Realize integrates with a number of the digital tools you may already use. Because every district has a different policy and process for integrating these tools, check with your school or district IT staff to get a better idea of what is possible and approved for integration.
