

# 3-ACT MATH PREVIEW

Math Modeling

Go for a Spin

Before watching the video, think:  
What was the last game you played? What kind of game was it? Video games, board games, and card games all have something in common. They need someone to test that the game is fun to play, and that it is fair.

**I can ...**

model with math to solve a problem that involves using different ways to make the same sum.
