Partnerships and Exclusive Tools

Google for Education + realize™

Google Classroom

Share supported content from your Realize programs with your classes. Just click “Share Google Classroom” and Realize will do the rest for you.

Google Drive

Add links from your Google Drive directly into your Realize lessons and quickly assign those links to your students.

Secure Roster Sync

Be off and running when class starts. Sync your Google Classroom rosters easily with Realize. Students log in once and have access to everything.

Assignment and Score Sharing

Assignable content shows in the student’s Google Classroom stream. Completed work is shared and recorded in both Realize and Google Classroom.
