

Evidence-Based & Explicit

Grounded in the latest literacy research, Savvas Literacy Solutions deliver:

- Explicit, systematic foundational skills instruction
- Integrated reading and writing instruction
- A balanced focus on decoding and comprehension

Knowledge That Builds Over Time

Students engage with:

- Content-rich texts across disciplines
- Coherent topics that deepen understanding
- Vocabulary in meaningful, real-world contexts

Designed for Multilingual Classrooms

Support language development and literacy together:

- Integrated and designated English language development
- Scaffolds for diverse proficiency levels
- Strategic use of students' home languages as assets

Built-In Support for Every Learner

Meet the needs of all students with:

- Tiered instruction aligned to MTSS
- Small-group and intervention resources
- Ongoing progress monitoring and assessment tools
