

Let's Go on a Math Walk!

Hi, I'm Naomi.

I love playing basketball,
and dribbling is my
favorite part. I can't wait
until I am big enough
to slam dunk!

Scan the QR code to take
a Math Walk on a basketball
court. In the space below,
**draw a picture of what
you see.**

- Math Walk includes important information to observe.

Where are you doing your Math Walk?

What do you see? What math question can you ask?

Answer your question using the math you know.

Let's Go on a Math Walk!

Hi! I'm Alex,
and I am learning to tell time.
My grandparents have
a "grandfather clock" at
their place. It chimes when
the big hand is on the 12.

Scan the QR code to take
a Math Walk about time.
In the space below, **draw a
place where you may need
to know the time.**

Where are you doing your Math Walk?

What do you see? What math question can you ask?

Answer your question using the math you know.

Let's Go on a Math Walk!

Hi! I'm Roshan.

Field trips with my classmates
are my favorite way to learn.
Each trip is an adventure,
and riding the bus together
makes it even more fun.

Scan the QR code to take a
Math Walk in a science
museum. In the space below,
**draw something you might
see at a science museum.**
