Correlation to Rubenstein, The Cultural Landscape: An Introduction to Human Geography 14e AP® Edition

This chart correlates the College Board's Advanced Placement *Enduring Understandings*, which are aligned to the "Big Idea" themes in the curriculum, to the corresponding chapters and their Key Issues within *The Cultural Landscape* 13e, AP Edition. Note that each *Enduring Understanding* is grouped in a unit that addresses a particular topic and is associated with one of the following Big Ideas:

- Big Idea 1: Patterns and Spatial Organization (PSO)
- Big Idea 2: Impacts and Interactions (IMP)
- Big Idea 3: Spatial Processes and Societal Change (SPS)
