Name _____

Data Detectives

I noticed …

I wondered …

....

1. What question in the video is the person trying to answer?

2. What did you see in the video that would help you answer the question?

3. What other information do you need to answer the question?

4. What math do you already know that can help you answer the question?

5. What math questions do you have about what you saw in the video?
