Meet SAVVAS realize®

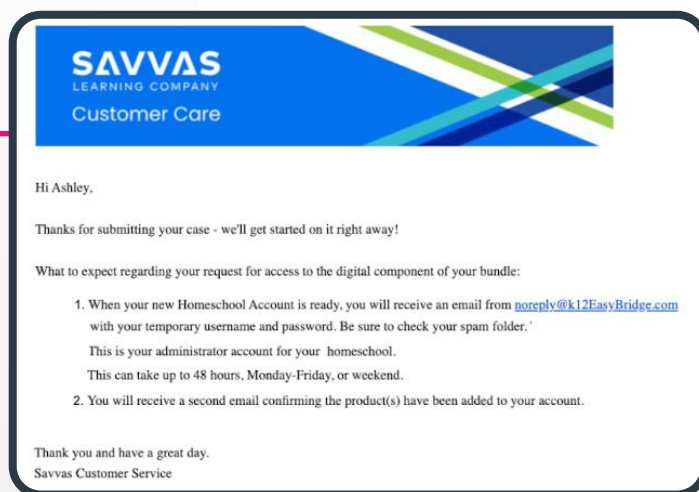

The solution that reimagines teaching and learning

As a homeschool parent or instructor, you have a lot on your plate. You don't need a cumbersome LMS tying up your time and frustrating your students. Enter Savvas Realize: the most versatile learning management system on the market, designed with you in mind, and now made even easier to use. With **one login**, you can access everything you need – from standards-aligned content and customizable assignments to **rich student data** and powerful **planning tools**. And a new streamlined dashboard – with quick links and visual displays – provides homeschool students, parents, and teachers alike, an **easy-to-navigate**, game-changing platform so that learning can happen anytime, anywhere.

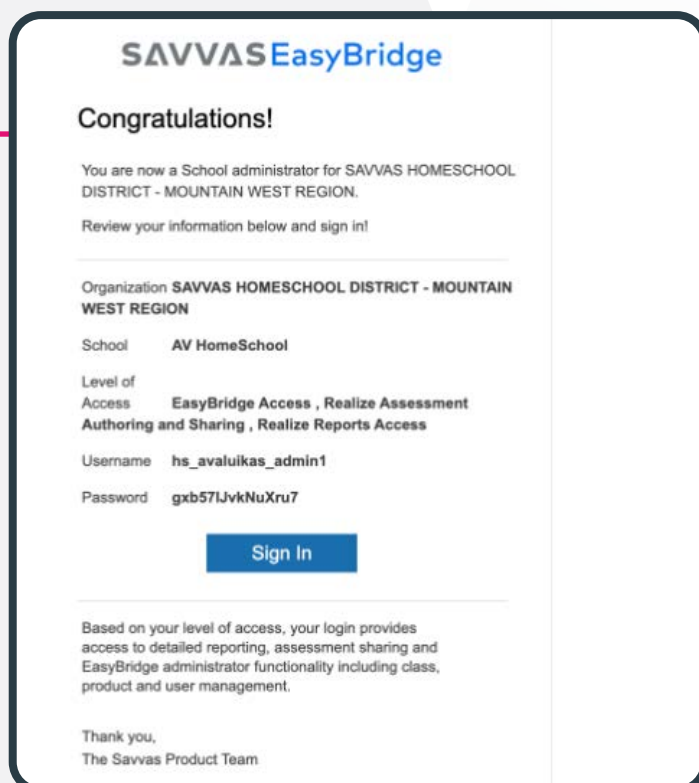

ACCESS YOUR DIGITAL COURSE

1. For digital access to your Savvas Learning Company homeschool products, please complete our **Digital Access Request Form**. Be sure to have your Order Number and Bundle ISBN ready, as this information will be required. Please allow 48-72 business hours for your request to be processed.

2. Once you have submitted your Digital Access Request Form, you will receive an email from Savvas Customer Care at k12support.reply@savvas.com containing your Digital Access Case Number and further instructions.

3. Once your account has been created, you will receive an email from noreply@k12easybridge.com containing a temporary administrative username and password. If you do not receive this email within 72 hours of completing the form, please check your spam folder. **To access your account, click "Sign In"** and enter the provided username and password.

11. Select “Sign In” and enter your username and temporary password. Please ensure you are signed out of your Administrator account during this step.

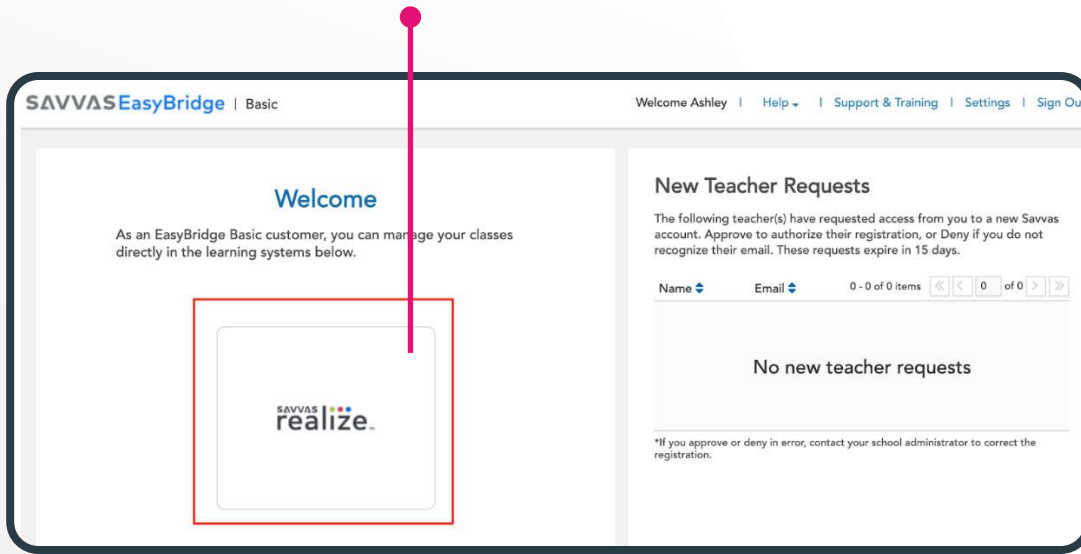

The screenshot shows two side-by-side panels. The left panel is titled "SAVVAS EasyBridge" and "Savvas K-12 Program Registration Confirmation". It contains a message to "Dear Ashley," stating that the user has successfully registered and provides a "Sign in" button. The right panel is titled "SAVVAS LEARNING COMPANY" and contains a "Sign in" form with fields for "Username" (containing "HomeschoolDemo") and "Password" (with a masked password and an eye icon). Below the password field is a blue "Sign in" button and two links: "Forgot your username or password?" and "Assistance with Savvas Sign In".

12. Create a new password, then select “Save New Password.”

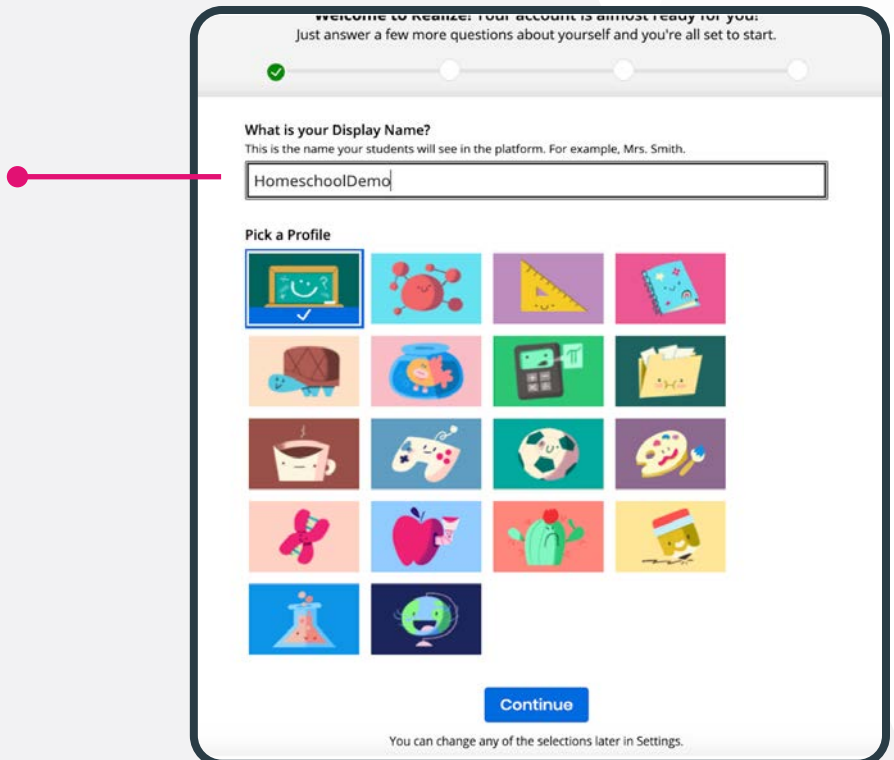

The screenshot shows the "SAVVAS LEARNING COMPANY" password creation page. It features a list of password requirements: "Has between 8 and 32 characters", "Contains an alpha character (case sensitive)", "Contains a number or special character", "Doesn't contain first or last name, or username", and "Has no spaces" (with a green checkmark icon). Below the requirements are two input fields: "New Password" and "Confirm New Password", both with eye icons. At the bottom right is a grey "Save new password" button.

15. Select the grade level(s) you purchased, and then click “Continue” to proceed.

The screenshot shows the 'realize.' onboarding interface. At the top, the logo 'realize.' is displayed. Below it, a welcome message reads: 'Welcome to Realize! Your account is almost ready for you! Just answer a few more questions about yourself and you're all set to start.' A progress indicator shows four steps, with the first step completed (green checkmark) and the second step active (blue circle). The main question is 'What grades do you teach?' with the instruction 'Select all the grades that you teach.' Below this, there are 12 checkboxes for grade levels: Pre-K, Kindergarten, Grade 1, Grade 2, Grade 3, Grade 4, Grade 5, Grade 6, Grade 7, Grade 8, Grade 9, Grade 10, Grade 11, and Grade 12. At the bottom, there are 'Back' and 'Continue' buttons. A red line with a dot at the top points to the 'Continue' button. A note at the bottom states: 'You can change any of the selections later in Settings.'
