

Subject Line: What is Outlier Dual Enrollment?

Body copy:

Outlier Dual Enrollment is a new way for you to get ready for college—and even get ahead. In these immersive online courses, you can earn both high school credit and college credit at the same time!

Learn from world-class instructors at universities like Yale and NYU in cinematic lectures (check out this true crime-inspired trailer for [Intro to Financial Accounting](#)). Enjoy interactive tools built by game designers and educators to help you learn your way. And get all the support you need to succeed, including unlimited tutoring in math courses and up to 5 attempts per quiz to maximize your grade.

These are real college courses worth actual college credit from the University of Pittsburgh (a top 50 school). Students who have taken Outlier courses have reported successfully transferring their credits to schools across the country—from community colleges to the Ivy League.

Want to save time and money on college? Learn more at [Outlier.org](#). Talk to your counselor to find the right course for you and become an Outlier.
