

Intro to Microeconomics

- ✓ 100% online accredited course
- ✓ Worth 3 transferable college credits
- ✓ All learning materials included
- ✓ Unprecedented high school success rates

In this deep dive into Microeconomics, you'll discover how small individual choices shape complex economic systems. Guided by 5 world-class instructors, you will explore everything from labor unions to monopolies. And abstract concepts like supply and demand become more real as students experience it themselves in high-stakes decision-making games.
