DESCRIPTION

The in-person SIOP[®] Institute equips educators with practical strategies to enhance student learning immediately. Participants gain a deep understanding of the SIOP[®] Model, receive expert guidance from a SIOP[®] author, and collaborate on lesson planning to support academic language development and content accessibility. Each attendee receives the latest edition of “Making Content Comprehensible for Multilingual Learners: The SIOP[®] Model, 6th edition”.

SESSION OUTCOMES

By the end of the session, participants will be able to:

- Evaluate factors that affect second-language acquisition.
- Analyze the Components and Features of the SIOP[®] Model.
- Observe and practice each of the eight Components.
- Integrate the SIOP[®] Model into lesson planning.
- Design a lesson using the SIOP[®] Model Features and Components.
