Ask Questions

Who made this?
Why did they make it? Can we trust them?

Listen to Different Ideas

Look at lots of sides to understand things better.

Look for Missing Parts

Are things left out? Are pictures changed? Those are things to notice.

Separate Fact from Opinion

Check the facts and use data when you can! Find out if other places say the same thing. That makes it more likely to be true.

Find Trustworthy Sources

Where did this come from? Make sure it's right!
